

# NAPA VALLEY

## Product Information & Data Sheet

Napa Valley is a warm blend of thin cut natural limestone veneers. The stone has predominantly gold tone pieces with occasional soft red and lavender colored pieces. Napa Valley's thin stone pieces provide a range of textures between the colors. The gold pieces are more coarse and the lavenders have a softer smoother feel. The bright and inviting tones are perfect for Tuscan or Mediterranean inspired homes. Napa Valley is cut from high-density low water absorption Wisconsin limestone. The stone is approved for all architectural applications in even the harshest of climates.

### Flats Dimensions

Heights: 2" - 8"

Lengths: 4" - 18"

Depths: 3/4" - 1 1/2"

Weight: 13 - 15 lb. per square foot

### Corner Dimensions

Heights: 2" - 8"

Lengths: 3"-5" x 8"-12"

Depths: 3/4" - 1-1/2"

Weight: 20 lb. per linear foot

Angle: 90

### Stone Characteristics

Colors: Copper Tones, Gold Tones

Style: Ashlar

Finish: Natural

### Packaging

Sold as loose pieces.

Flat Pallet: 150 square feet

Corner Pallet: 50 linear feet

### Applications

This natural stone veneer is approved for all applications due to its high compressive strength and low water absorption. It is well suited for exterior applications with a harsh climate.

### LEED® Certification & Energy Efficiency

Using natural stone veneer can contribute to obtaining credits toward your LEED green building certification. The natural material helps improve the energy efficiency of your home or business.

### Installation

Natural thin stone veneer installation information is available on our website:
