

CALDERA

Product Information & Data Sheet

Caldera is a tumbled dimensional real stone veneer that pairs beautifully with a monochromatic design. We created this stone blend after working with a client's designer who wanted a soft and classic black and white color palette. A black and white color palette like Caldera is versatile and timeless with endless possibilities from subdued to statement-making. Caldera has a tumbled finish that mutes and softens the stones. As a design element, the consistent tumbled finish brings the stone pieces together against the contrasting colors.

Flats Dimensions

Heights: 2- $\frac{1}{4}$ " , 5" , 7- $\frac{3}{4}$ "

Lengths: 4" - 16"

Depths: $\frac{3}{4}$ " - 1- $\frac{1}{2}$ "

Weight: 13 - 15 lb. per square foot

Corner Dimensions

Heights: 2- $\frac{1}{4}$ " , 5" , 7- $\frac{3}{4}$ "

Lengths: 3"-5" x 8"-12"

Depths: $\frac{3}{4}$ " - 1- $\frac{1}{2}$ "

Weight: 20 lb. per linear foot
Angle: 90

Stone Characteristics

Colors: Grey Tones, Natural Tones

Style: Dimensional

Finish: Tumbled

Packaging

Sold as loose pieces.

Flat Pallet: 150 square feet

Corner Pallet: 50 linear feet

Applications

This natural stone veneer is approved for all applications due to its high compressive strength and low water absorption. It is well suited for exterior applications with a harsh climate.

LEED® Certification & Energy Efficiency

Using natural stone veneer can contribute to obtaining credits toward your LEED green building certification. The natural material helps improve the energy efficiency of your home or business.

Installation

Natural thin stone veneer installation information is available on our website:
