

GILLS ROCK

Product Information & Data Sheet

Gills Rock is a dimensional cut off-white natural limestone thin veneer. The stone is 100% split face, meaning the exposed surface was created by splitting the stone with a large hydraulic press. Gills Rock showcases natural tones with whites, creams, and light grays. The stone has sawed heights of 4", 6", and 8" with snapped/split edges at random lengths.

The sawed height dimensions of Gills Rock are different from our standard dimensional stone heights. Due to this difference, Gills Rock is typically installed in a running bond or course height pattern (as shown in the mockup). Gills Rock can also lend itself to drystacking. Based on the cost-effective price, Gills Rock is sometimes installed in a random ashlar pattern; however, this installation method requires additional masonry work to accomplish.

Flats Dimensions

Heights: 2- $\frac{1}{4}$ ", 5", 7- $\frac{3}{4}$ "
Lengths: 4" - 16"
Depths: $\frac{3}{4}$ " - 1- $\frac{1}{2}$ "
Weight: 13 - 15 lb. per square foot

Corner Dimensions

Heights: 2- $\frac{1}{4}$ ", 5", 7- $\frac{3}{4}$ "
Lengths: 3"-5" x 8"-12"
Depths: $\frac{3}{4}$ " - 1- $\frac{1}{2}$ "
Weight: 20 lb. per linear foot
Angle: 90

Stone Characteristics

Colors: Natural Tones
Style: Dimensional
Finish: Natural

Packaging

Sold as loose pieces.
Flat Pallet: 150 square feet
Corner Pallet: 50 linear feet

Applications

This natural stone veneer is approved for all applications due to its high compressive strength and low water absorption. It is well suited for exterior applications with a harsh climate.

Natural stone varies in color, shape and veining from piece to piece. Photos used are meant to be as accurate as possible in depicting the product. Photos of stone are meant to give a general idea but should not be used for exact color matching.

LEED® Certification & Energy Efficiency

Using natural stone veneer can contribute to obtaining credits toward your LEED green building certification. The natural material helps improve the energy efficiency of your home or business.

Installation

Natural thin stone veneer installation information is available on our website:
