

# SISTER BAY

## Product Information & Data Sheet

Sister Bay is a classic cream tone natural limestone veneer. The stone is cut into the dimensional style with sawn or gauged heights. It is one of our most popular dimensional natural stone veneers. Sister Bay has a neutral color palette that consists of cream, buff, gold, and light brown tones. The Sister Bay limestone has been used for centuries and is truly a classic and timeless look. The stone is aesthetically neutral and can be used to cover large walls with ease.
