

WESTGATE

Product Information & Data Sheet

Westgate is a natural quartzite thin stone veneer in the castle rock style. The stone has a beautiful variety of colors that form a cohesive and unified look on the finished project. Westgate has varying shades of medium to dark blue-greys with subtle tans and creams. The stone has a natural (not tumbled) finish and the texture varies from smooth to coarse depending on the piece. Westgate is a premium natural stone veneer that we import from overseas. The stone is in stock and ready to ship.
